## President's Message

By: Don Keopple II

Hello fellow ILNA members,

I hope everyone is enjoying their summer. This is the time of year that the coin hobby/business tends to slow down with people taking vacation, the kids are out of school, gardening, etc. Coins tend to take the back seat for the summer. We have very few coin shows to set up at for the summer.

With this mailing you will be receiving a copy of the proposed bylaws and constitution changes and also an election ballot. I urge all ILNA members to vote yes on the constitution and vote for your favorite candidates. This election is for 5 board members all are rerunning and one challenger. Election results will be tallied and the results will be announced at the annual Fall Convention.

The fall show is almost upon us. Things are shaping up to be another great show. The show is nearly sold out and probably will be by the time this hits your hands. This year's bourse chairman is Frank Zapushek. If you need any information on the show please contact Frank. Frank has done a great job in his first year as bourse chairman and it should be another smooth show. I would like to take this opportunity to thank our past Chairman and President Kermit Wasmer for all of his years of hard work and dedication to this organization and the running of the show.

We are still looking for speakers and exhibitors for this year's show. Please contact Jack Huggins. The YN auction will again be featured this year. Anyone wishing to donate items for the auction please contact Frank or myself or bring your items to the show. We could also use some kids as pages for the show. If you are interested contact Frank when you get to the show.

This year we did not have anyone apply for the ANA Summer Seminar scholarship, if you are interested please contact me about next years seminar. It's never to early to start thinking about it.

If you haven't visited it lately please go to our web site [www.ilnaclub.org](http://www.ilnaclub.org). it is always being updated and it is packed with a lot of great information.

## Secretary's Message

By Michael B. Doran

As you are reading this, the ILNA Board has made all of the preparations for the Fall Show. I can say, from past experience, that working at the show (getting the tables setup, putting down the wiring, getting the dealers taken care of on setup day, and all other things to make the show run like clockwork) is a lot of work but, at the end, is satisfying knowing that one has made a contribution to numismatics in Illinois. For those who may have forgotten when and where the show will be held, it is from **September 7-9, 2007 (for the general public) at Park Place of Countryside in Countryside, IL**. There will be, as in past years, exhibits, speakers on Saturday 9/8, and the YN auction on Sunday 9/9. Parking is free, as is admission. For more information on the show, either go to **[www.ilnaclub.org](http://www.ilnaclub.org)** and click on the **2007 Fall Coin Show & Convention Information** or contact **Frank Zapushek** at **(309) 830-6765**.

You should be receiving the ballot for the ILNA elections around the time you receive this Digest. Included in this ballot is the proposed Constitution and Bylaws. Please take a few minutes to read it and vote. If approved, it will replace the current version. And the other item on the ballot – the candidates for the Board of Governors. The candidates are as follows on the ballot: **William Burd, Steve Butler, Donna Doran, Steve Harrison, Bill Price, and Donna Wasmer**. Please take a moment to read their biographies in this Digest and vote for the candidates of your choice.

On a final note – should you have any questions, concerns, comments, or anything to do with your ILNA membership, remember that the Secretary's office is always open. I can be reached (as always) one of three ways – by phone at **(217) 663-0276**, by regular mail at **P.O. Box 30, Greenup, IL 62428-0030**, or by e-mail at **[secretary@ilnaclub.org](mailto:secretary@ilnaclub.org)**.

On behalf of the Officers and the Board of Governors of the Illinois Numismatic Association, we greatly thank each and every member for their continued support in promoting numismatics in the Land of Lincoln.

## Making Sense

By John D. Wright

This is a nebulous year for the writer – mundane in nearly every way. Unfortunately, that extends also to the coinage of this unremarkable year.

In Cambridge England, Daniel and Alexander Macmillan open a bookseller's shop. Next year this firm will expand into publishing, becoming Macmillan and Company.

A statue of Lord Nelson is hoisted atop a tall column in London's recently cleared Trafalgar Square. Nelson is the Hero of the Empire who died while defeating a combined French and Spanish fleet at Trafalgar in 1805.

New publications this year include *The Gold Bug* and *The Pit and the Pendulum* by Edgar A Poe, and *A Christmas Carol* by Charles Dickens.

The town of "Terminus" in Georgia is renamed this year to "Marthasville". Today this rail terminus is called "Atlanta".

Yellow fever sweeps the Mississippi Valley, killing 13,000.

The US is interested in annexing the Republic of Texas, but Mexican president Santa Anna announces that any efforts to do so will be considered by Mexico as an Act of War. It takes two more years of political back-and-forth pressure to defuse Santa Anna. Finally, under the NEXT US President the US makes its famous "take it now or forget it" offer to Texas. Texas becomes a US State in 1845, and a war with Mexico follows in 1846. In that war over half of what was Mexico will become US territories, including everything west of Texas to the Pacific Ocean.

This year Joseph Smith, leader of the Mormon church in Nauvoo Illinois, announces a Devine Revelation calling for polygamy. "Since we are the New Israel, we need to return to the ways of the patriarchs." This will lead to bitter feelings within the Mormon community

St. Joseph, MI. 49085

## Making Sense (Cont.)

and will widen the cultural gulf between Mormons and their neighbors.

Daniel Webster resigns as Secretary of State, the last of President Tyler's cabinet to do so. Tyler will serve out his single term with a fully new cabinet, no support by his party, and strongly opposed by Congress.

This year marks the beginning of a large-scale migration westward, as over a thousand Easterners leave from Independence Missouri to settle in the Oregon Territory. The settlers adopt a "territorial constitution" based on the laws of Iowa. This territory is claimed by Britain based on Francis Drake's coastal exploration in 1579 and James Cook's coastal exploration in 1778. A Cincinnati convention calls for the northern boundary of Oregon Territory to be set at 54 degrees 40 minutes North latitude, which is the southern boundary of Russia's claim on Alaska.

Unless you are a collector of early US copper coins, nothing of the coinage of this year is remarkable enough to bring the year to mind. The above events all occurred in 1843.

In 1843 the four US mints produced 1.5 million gold coins, 10.5 million silver coins, and 2.4 million copper coins. None of them are really an attention grabber. The rarest type of the year is the quarter eagle from Charlotte with a smaller date and crosslet 4, though these are nowhere near as rare as some dealers claim.

The silver coinage of 1843 comes from either New Orleans or Philadelphia and includes nothing worthy of note. The copper coinage includes the questionable Proof-only half cents, plus 2.4 million large cents. The cents have two basic head types and two basic letter sizes for the reverse. This is the year of the last change-of-type for the US large cent series.

The two 1843 heads are called "petite head" and "mature head", or "head of 1842" and "head of 1844". The former is the head puncheon used on the last 1839 and all 1841 and 1842 cents. The latter

I will bring my own cases Yes \_\_\_\_\_ No \_\_\_\_\_ If no, state the number of cases needed \_\_\_\_\_.

**ILNARULES**

The Illinois Numismatic Association (ILNA) reserves the right to reject any exhibit at any time. The exhibitor must be a member in good standing of ILNA. The above application must be in the hands of the exhibit chairman at least 15 days prior to the convention. All material must be bona fide property of the exhibitor. All items not genuine must be described properly. No outside signs and or lights may be used. The name or identity of competitive exhibitors shall not appear on the exhibits. Cases will be assigned in the order of receipt of applications. The number of cases allotted to each exhibitor shall be left to the discretion of the exhibit chairman. But no exhibitor shall be permitted to display more than seven cases or occupy more than 20 linear feet per exhibit.

## **Minutes Fall Special Meeting Meeting Shooters Buffet Normal, IL. Saturday, November 18, 2006**

The Special Board Meeting of the Illinois Numismatic Association was called to order at 12:38PM with following officers: President Donald Keopple II, Vice President - Frank Zapushek, Secretary – Michael Doran. Board Members – William Burd, Steve Butler, Donna Doran, Steve Harrison, Richard Prouty, and Andrew Reiber. Chairman of the Board Jack Huggins Jr., board members Donna Wasmer, Kermit Wasmer, and David Spring each has an excused absence. Treasurer Kevin Wasmer has an unexcused absence.

### **SECRETARY**

Secretary Michael Doran read the minutes of the Fall Meeting of October 15, 2006. Also, he recapped the motions from the previous meeting. After discussion from the board, a motion to approve the minutes was made by Reiber, and seconded by Burd, passed unanimously.

### **TREASURER**

No reports at this time.

### **DIGEST EDITOR**

No reports at this time.

### **OLD BUSINESS**

Books for Libraries Program – Reiber reported to the Board that since the October meeting he has sent a proposal for matching funds for the Books to Libraries Program to Central States Numismatic Society, as they were doing a similar program to its member clubs. The committee in Central States who handles the funds for their program rejected the proposal. Reiber then requested that a set of books would be sent to the library of the county seat of each county in phases. After further discussion, a motion was made by Zapushek to proceed with the program, and seconded by Burd, passed unanimously.

### **NEW BUSINESS**

Proposed Constitution & Bylaws –

## Making Sense (Cont.)

head puncheon continues through the end of the large cent series in 1857. The H42 type has the point of Ms Liberty's bust truncation over the 8 and her coronet tip near a star. The H44 type has the bust truncation overshooting the 1 and coronet tip midway between stars. Both are called the "braided hair" type for the regular waves of hair below the coronet.

The two 1843 reverses are called "small letters" and "large letters", or "reverse of 1842" and "reverse of 1844". The difference in the letter sizes for the legend is profound. The SL type has tiny, widely-isolated letters, while the LL type has the letters all nearly touching each other.

None of these three types of 1843 cent are rare, though the transitional type (H42/LL) is more avidly sought so it is slightly more expensive. This year is an excellent example of the difficulty in identifying post-1839 cents by die variety. Andrews (1883) listed 6 die varieties of this year. In 1940 Newcomb de-listed one variety (A1) and added 8 more (N7-14). By 2006 Bob Grellman has de-listed two more (N7, 13) and added three more (G15-17, now called "N15-17").

One 1843 cent die-pair is known only in Proof (N14), and one or two examples of N12 have also been seen as Proofs. Besides the Proof-only variety, only one die variety of 1843 cent is rare. And that one (N17) is quite similar to the common N5. The lesson here is "regardless of how boring and plebian a year is, if one digs deeply enough there is ALWAYS something of fascination there". Keep looking – keep the fascination alive!

**Dear Richard:**

Our family would like to thank you for your professionalism and trustworthiness throughout our entire recent transaction. As you know, faced with the sale of my grandfather's extensive rare gold coin collection, many avenues were open to us.

You came highly recommended and - throughout our dealings - your trustworthiness was evident. After you completed the initial purchase of the collection, the size of the second payment to us covering the profit sharing payment attests to the integrity and honesty you possess.

Based on the combination of your numismatic expertise and high ethical standards, I strongly recommend - without reservation - your numismatic services to others.

If any prospective client would like to contact me, please feel free to forward my number.

Thanks again for all your hard work.

## 1815 Capped Bust Quarter

by Frank M. Zapushek "Mr. Z"

An avid bust quarter collector is the reason this article is being written. This collector told me that he had 9, 1815 Capped Bust quarters. He turned down the last one his dealer showed him because the coin had die cracks on both the obverse and the reverse.

I did not have the heart to tell him that I jumped at the coin when it was offered to me. Now for the reason I wanted the coin myself.

No quarters were minted from 1807 until 1815. The new quarter appeared with the look of the 1807 Capped Bust Half Dollar. The diameter of the quarter was reduced, with an increase in thickness.

The 1815 Capped Bust Quarter only had a mintage of 89,235. It is not the rarest Bust quarter, but it is a very elusive coin. Only one obverse and reverse die was used in 1815.

Three die states are known for this coin. Die state one has strong detail and produces excellent strikes. Die state two shows heavy die clash marks and is the hardest die state to find. Die state three has the dies polished, removing the die clash and is the reason that some of the "5's" in the date look smaller.

Despite the fact that only one die marriage was used, the 1815 is home to two very elusive variations. First is the mysterious "E" or "L" counterstamped above the cap. The cause of these counterstamps is still unknown today, but it is believed to have been placed on the coins at the mint.

The second variation is the one I was trying to track down to photograph. I wanted to add this variation with heavy die clashes on both the obverse and reverse to my extensive photographic library. This variation appeared in three or four major auction catalogues as having obverse and reverse die cracks.

At a Milwaukee Show a few years ago, I found an 1815 with partial die clash marks, but I was looking for the die state that showed heavy die clash marks.

Then in January of this year, I was offered an 1815 Bust Quarter. The coin was graded by ANACS as cleaned and repaired with AU Details. The coin had been lightly cleaned and repaired on the obverse at 12 o'clock. Much to my surprise the coin had very heavy die clash marks. This is the second die state and the hardest to find.

# **Straight FIVE**

**Bill Burd, Steve Butler, Steve Harrison, and Donna Doran** have been a **BIG** asset to the **ILNA Board of Directors**. They attend Board meetings and present excellent ideas for discussion.

**Donna Doran** has worked very hard learning programs to produce an outstanding digest for ILNA's Members.

**Bill Price** is also running for the Board this year and he would be an **excellent** addition to the Board. We recommend that you **give him your vote** for the ILNA Board.

Please **look at the attendance recorders** of the current ILNA board members. **All those that donate their free time to attend board meetings** have earned your support and deserve your vote.

Keep the board moving forward to improve your club. The current board has approve investing thousands of dollars in numismatic books for Library's in ILLINOIS. Just one of the ideas to help the hobby.

## **VOTE First Five - Vote STRAIGHT FIVE**

This is a paid advertisement and is in no way  
an endorsement from the Illinois Numismatic Association.

## Bill Burd

Bill, born in upstate New York during the Great War, migrated to the Chicago area in the early 1970's. He has five children and two grand children.

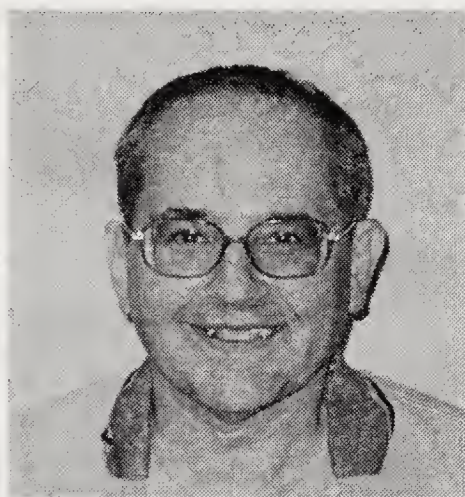

In 1979 he started working full time for a local coin dealer and remained with that organization for 16 years. In 1995 he purchased Daru Coin & Stamp from retiring coin dealers Don & Ann Urchel and later changed the name to Chicago Coin Company, Inc. He is a member of the Professional Numismatist Guild, Numismatic Literary Guild, Numismatic Bibliomania Society and Central States Numismatic Society. He is also a life member of the American Numismatic Society, American Numismatic Association and Chicago Coin Club as well as, a board member for ILNA and the archivist for the Chicago Coin Club.

Bill collects books relating to Numismatics. His library consists of over 2200 titles covering such subjects as US coins, ancient coins, currency, medals, banking & finance and exonomia. He has had several articles published in numismatic publications and has contributed to several books.

His other hobby is hiking and mountain climbing. He has been on mountains in every continent including Antarctica and in 2002 ski-walked the last degree to the North Pole.

## Steve Butler

Steve, I am from Springfield, IL. I graduated from S.I.U. in Carbondale, IL in 1975 with a BS in forestry. My employment is with the Illinois Environmental Protection Agency as a chemist and I have been there since late 1977.

I hold life memberships in Central IL. Numismatic Association, C.S.N.S. and the ANA. Other organizations include Liberty Seated Collectors Club, John Reich Collectors Society, Barber Coin Collectors Society plus others.

Besides collecting, my other interest in numismatics is building a library. I have a basic set of Red Books, a nearly complete set of Wayne Raymonds Standard Catalog of U.S. Coins. Plus my library includes many books from Half Cents to Twenty Dollar Gold Pieces.

I have been active with the C.I.N.A. since 1975 and I have served as President from 1980 - 1981 and I have been serving as bourse chairman since 1980. Also, I have served as editor of our newsletter from 1980 to 1989 and starting again in 2000 to present.

I was elected to the ILNA board in 1995. My attendance to board meetings has been very good, having missed 3 or 4 meetings since elected. I hope to be able to contribute to the betterment of ILNA, if re-elected. Thank You

## Donna Doran

Hi My name is Donna Doran and I am seeking re-election on the ILNA Board of Governors. I graduated in 2005 with an AAS in Business Management and Marketing and currently working at Eastern Illinois University.

I am a collector of numismatic items that are interesting to me so I don't collect any certain type. I have helped out at the ILNA show, I am currently in charge of their youth auction and I am also Editor of the ILNA Coin Digest.

I am a member of the Illinois Numismatic Association, Will County Coin Club, The Wabash Valley Coin Club, Champaign Coin Club, and other numismatic organizations.

Finally, I would appreciate your vote in the upcoming election and if you have any questions or concerns please contact me at PO Box 30 Greenup, IL 62428, [editor@ilnaclub.org](mailto:editor@ilnaclub.org), or 217-932-5856

## Steve Harrison

My name is Steve Harrison. I am president of Kedzie Coins and Jewelry, Inc. We have been in business for 38 years in the same location at 5909 S. Kedzie Ave.

I have been in the family business of coins for about 26 years. My father, Hill Harrison, started the company.

My favorite coins are American silver dollars. In high grade these are some of the most beautiful coins ever made!

Besides a professional numismatist I am a jeweler and certified jewelry appraiser.

I love coming to work every day and dealing with new people and their coin collections. It is a great hobby, and one I am proud to be involved with!

## Bill Price

Surprise picture of Bill provided by the ILNA photographer.

I have been collecting for about 40 years. In 1980, we opened B & R Coin in Gilman, IL. With the help of my lovely wife, we will be collecting many more years.

I am a life member of the Illinois Numismatic Association, American Numismatic Association, Florida United Numismatis, along with many local clubs.

My personal collecting interest are: Canadian Coins, I have almost every coin made in Canada. I also collect US coppers, Civil War Tokens and World Coins.

I would like to help ILNA continue as a progressive board, helping the young and new collectors in the hobby. Together we can continue working toward moving the club into a still stronger and brighter future.

If elected, I will keep the collectors and club interest in mind.

## Donna Wasmer

My name is Donna Wasmer. I am seeking re-election for the ILNA Board of Directors. I am involved in many facets of numismatics. I am a collector of Iroquois County National Bank Notes, having exhibited at various shows, including Central States and ILNA, earning the best of show award at the ILNA State Show in 2001. I have given programs to various local organizations, assisted with dealer registration at CSNS Shows and the 1999 ANA show in Chicago. I have handled the entire dealer registration at the ILNA State Show for the past several years (starting with preparation of badges to handing them out at the show) and issuing early bird badges.

At the present I am a member of the Illinois Numismatic Association and the Wat-Cha-Kee Coin Club, and have been a member of various other Numismatic organizations. I also attended the ANA Summer Seminar at Colorado Springs in 2002. I was awarded the Numismatic Ambassador Award presented by Krause Publications jointly with my husband Kermit in 2000.

In addition to my involvement in numismatics, I am very active in my community including being a member of the Iroquois County Board. I feel that I am well qualified to be re-elected to the ILNA Board and would appreciate your vote in the upcoming election.

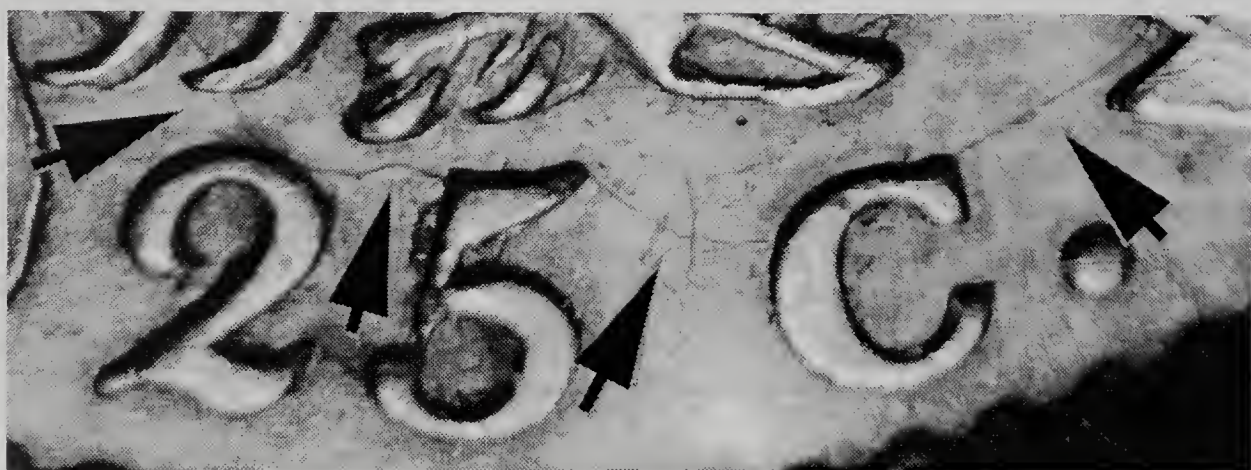

If you have any questions or concerns, please feel free to contact me:

Donna L Wasmer, 325 Coney Ave., Watseka IL 60970

## 1815 Capped Bust Quarter (Cont.)

The photograph above shows the strong clash marks from the scroll on the reverse of the coin. The line running through the top of the date does resemble a die crack. After careful examination, it is a die clash mark.

In the photograph above, notice what looks like a die crack running at the top of 25 C. This is actually the clash marks from the top of Liberty's head.

If I had not taken a look at the coin, I would never had known that my hunt was over. The coin went from a no interested repaired and cleaned to a gem in one easy look. Since the coin was a die state 2, the value jumped back up to about the same as a AU coin that had not been cleaned and repaired.

What a difference those heavy die clash marks make on this coin. Stop by our table at a coin show and view this gem. You may never see another die state 2 in the 1815 Bust quarter again. As a matter of fact, you might go years before you get to see another 1815 Bust quarter.

Have a question, need an answer, drop me a line or visit us at a coin show. Baker Numismatics, LLC, Frank M. Zapushek PO Box 1993, Bloomington, IL. 61702. No charge to collectors for authentication or questions. Buying collections and estates. Visit our informative web page at <http://www.bakercoins.net>.
